NOTARY LIABILITY INSURANCE (NOTARY ERRORS AND OMISSIONS)

Notary Errors & Omissions Insurance is a critical component of any notary's portfolio. It protects you, the notary, against any potentially devastating financial costs of lawsuits that could result from an error you make while acting in your official capacity as a notary. While not required, it's necessary in today's litigious climate and is available at affordable rates that coincide with your notary term. Here are several E&O facts:

- It safeguards you against costly time-consuming lawsuits. Even if the suit is frivolous, you could be faced with a large legal bill for defending yourself. Our policy covers legal fees.
- Your notary bond required by the state doesn't protect you. This is a common misconception. It merely protects those you notarize for. If a claim is filed against your bond, you have to reimburse the insurance company for any payments they make on your behalf. Unless you have Notary Errors & Omissions Insurance. It provides primary protection and pays the claim first.
- **Employer policies do not protect you** No matter what you are told, you are individually responsible for your own actions as a notary, even if you notarize only for work related purposes.
- Errors and Omissions coverage includes forgetting to affix your notary stamp to the document, not properly identifying the person signing the document, and other simple and common mistakes.

Errors & Omissions Insurance provides you with peace of mind, protecting you against any claim for an act or omission and personal liability while acting in the capacity of Notary Public. It also provides coverage for all defense costs and pays from the first cent. Furthermore, you'll have no repayment of claims back to the insurance company. No deductible, coverage on and off the job and affordable protection. Don't notarize without it.

Select additional Notary supplies from our Order Form

- **Missouri notaries should use a journal as recommended by the State of Missouri.**
